

# RIEDEL STEMWARE SEMINAR - NOV 7th

"THE TRUTH OF WINE REVEALED"

## 6:00PM

Have you ever wondered if Stemware makes a difference in how a wine tastes?

In a fascinating and educational Wine Glass Seminar, a Riedel Representative will guide us on a journey of the senses. He will demonstrate the direct relationship between the shape of the glass and the perception and enjoyment of wine.

Tasting will feature the Riedel Veritas Collection. Discover how the shape of your wine glass can truly enhance its flavor or detract from your enjoyment. Experience four top quality wines in four varietal specific Riedel Veritas Stems that are yours to keep at the end of this fascinating seminar.
